SATURDAY, AUGUST 20, 1870.

HABEAS CORPUS CASES BEFORE JUDGE PEARSON.

SECOND DAY.

RALEIGH, Aug. 19.

The Chief Justice announced that he was ready to receive the return of Kirk and proceed to the examination of the prisoners on the charges preferred against them.

Attorney General Olds said he was not prepared to state the charges specifically until Col. Kirk, who had just arrived from Salisbury, could be present.

Mr. Q. Busbee, the Governor's Secretary, was sent for and requested to furnish the answers to the writs, if they had been prepared. Mr. Olds retired to the Executive office.

After about half an hour, Mr. Olds returned and announced that Mr. Badger, who had the matter in charge would be in immediately.

In about another half hour, Mr. Badger came in and stated that Col. Kirk having arrived but a short time since, it was impossible he could furnish separate answers to all the writs to-day, but could specify the charges that would be preferred against the prisoners, for which purpose he again retired to the Executive office.

[Slight symptoms of impatience visible.]

In about another half hour, Mr. Badger re-appeared with the list of charges against all the prisoners here, except Robert Roan and N. M. Roan, against whom he did not know the charges, and took the list back to Kirk at the Executive office to ascertain what they were.

After an interval of some twenty minutes more, he returned and reported on the list of prisoners for whom writs of *habeas corpus* were originally issued by Judge Pearson, as follows:

F. A. Wiley, charged with murder of John W. Stephens, conspiracy to overthrow the State Government and conspiracy to intimidate voters.

James Hunter, sent to Salisbury.

J. S. Scott, sent to Salisbury.

J. E. Boyd, discharged by the Governor on confession.

Peter H. Williamson, sent to Salisbury.

J. M. Neill, murder of Stephens, being accessary before and after the fact, conspiracy to overthrow the Government &c.

Samuel P. Hill, murder of Stephens conspiracy &c.

John Kerr, same with Hill.

Wm. B. Bowe, being accessary after the fact of Stephens' murder.

Barzillai Graves, same as that of Bowe.

J. T. Mitchell, murder of Stephens, conspiracy &c.

Thomas J. Womack, discharged by the Governor on confession.

A. G. Yancey, murder of Stephens, conspiracy &c.

Yancey Jones, same as A. G. Yancey.

Z. Hooper, had been discharged and was not here.

James C. Williamson, sent to Salisbury.

J. C. Griffith, murder, conspiracy &c.

N. M. Roan, on parole no evidence against him.

Robt. Roan, accessary after the fact to the murder of Stephens.

Jno. M. McKee, a lad fifteen years old, had been discharged by Kirk or the Governor.

James R. Fowler, murder of Stephens, conspiracy, &c.

A. A. Mitchell, had been discharged by Kirk.

A. G. Moore, murder of Outlaw, conspiracy to overturn the government, &c.

The last named is from Alamance, all the rest from Caswell.

The Judge then ordered that special returns be made to-day, (Saturday,) on all the cases, and the matter was adjourned to that hour.

THIRD DAY.

SATURDAY, Aug. 20th, 1870.

Chief Justice Pearson took his seat at 9 o'clock, and announced that he was ready to hear the returns to the writs.

Mr. Badger submitted a revised list of prisoners against whom he asked bench warrants; namely, Messrs. A. G. Moore, J. T. Mitchell, Joseph R. Fowler, S. P. Hill and F. A. Wiley, and also, Felix Roan and L. M. Totten, the former of whom was released by Judge Brooks, at Salisbury, and the latter has not been arrested.

Those against whom no evidence could be adduced, (although they have been under arrest for five weeks) are Robert Roan, Hon. John Kerr, J. C. Griffith, Yancey Jones, A. G. Yancey, Peter H. Williamson, Barzillai Graves, W. B. Bowe and J. M. Neil.

At 11 o'clock the prisoners were all brought in, and those against whom no charge was preferred were formally released.

The affidavit of *George W. Kirk* was then read, setting forth that he *believed* the accused were guilty of the murder of John W. Stephens, &c.

Judge Merrimon, of counsel for the defense, objected that the affidavit was insufficient to grant a bench warrant upon, because it set forth no fact that could be taken as evidence against the prisoners, and asked for time to produce authority on the question.

The motion was granted, and time allowed until Monday morning at 9 o'clock.

Messrs. S. P. Hill, J. T. Mitchell, and Joseph R. Fowler were recognized each in $5,000 and A. G. Moore in $1,000, to appear from day to day.

[REPORTED FOR THE SENTINEL.]

JUDGE BROOKS IN CHAMBERS AT SALISBURY—HABEAS CORPUS CASES.

SALISBURY, August 18.

Judge Brooks appeared in the Court room this afternoon at 4 o'clock.

Messrs. Boyden and Bailey, Blackmer and McCorkle appeared for the prosecution for the State.

Messrs. W. H. Battle, Thos. Bragg, W. A. Graham, A. S. Merrimon and E. S. Parker, appeared for the petitioners.

We observed the following members of the bar present: Messrs. Z. B. Vance, W. M. Robbins, H. C. Jones, J. M. Clement, Jos. H. Wilson, M. H. Pinnix, Kerr Craige, Frank Robbins, Rich'd. Allison, Chas. M. Steadman, Jas. A. Graham, R. Y. McAden, Wm. J. Montgomery, F. E. Shober, Paul Means, Burton Craig, Benton Withers, Jno. S. Henderson, Jas. E. Kerr, J. T. Morehead, Ralph Gorrell, J. A. Gilmer, and J. M. Long.

The counsel for the respondent, Kirk, asked for an extension of the time, for the purpose of consultation and to prepare the return.

Counsel for defence objected. Ten days was allowed by the law to make their returns, they had taken the advantage of the whole time the law allowed them, and ask for a further extension. If the counsel on the other side were not prepared at this late day to go into the trial, they had no one to blame but themselves and hoped the extension would not be allowed.

After a short debate the Judge said.—The law under which I am acting allows only ten days for a return, but he desired to act with deliberation in the case and would grant the request.

At the request of the counsel for the petitioner (to which the prosecution made no objection) the prisoners were released on their own recognizance in the sum of $1,000 each to appear to morrow morning at 10 o'clock, and the Court adjourned.

SECOND DAY.

FRIDAY, August 19, 1870.

The Court met at 10 o'clock.

On motion of Mr. Blackmer, Marshall H. Pinnix, Esq., was admitted to practice in the Court.

The Judge announced his readiness to proceed with business, and suggested that the cases would be called *seriatim*.

Accordingly the case of Josiah Turner, Jr., was first called. The return was in substance, that Kirk arrested him by order of *somebody*, for conspiracy with others not named to overthrow the State government.

The counsel for the petitioner excepted to the return as insufficient in many respects, but it being suggested by counsel for the respondent that there was no purpose to detain the petitioner longer in custody, Gov. Graham moved that the petitioner be discharged. The Judge inquired if any sufficient cause could be shown for longer detaining the petitioner in custody. Mr. Boyden of counsel for the respondent, Kirk, replied, "*We have no legal evidence of any kind of the prisoner's guilt, and therefore, do not oppose his discharge.*" Thereupon the Court ordered his discharge.

The case of Felix Roan was next called. The return alleged that petitioner was an accessory to the murder of J. W. Stephens.

After some discussion relating to the jurisdiction of the Court, Mr. Boyden moved for an extension of time in this case.

Judge Battle protested against it, and moved that the prisoner be discharged.

The Judge said he was willing to go to the fullest extent of the law under which he was acting, but would not go further. The respondent had already taken advantage of the law, to its extreme extent, in relation to making his return and he (the Judge) in order to allow a calm and deliberate investigation of the case, had extended that time already, and he was not disposed to do so again. If the counsel for the respondent are not now ready to proceed with the case they have no one to blame but themselves. If no cause can be shown why the prisoner should be further detained in custody he should order his discharge.

Mr. McCorkle, of counsel for the respondent Kirk, said he knew no cause why the prisoner should be longer detained in custody *as they were not in possession of a particle of evidence of his guilt* and the order for his discharge was made.

The case of Mr. M. W. Norfleet was next called, answer the same as that above.

Mr. Boyden repeated his motion for a further extension of time.

The Judge said for reasons given in the other case, it was refused, and he was discharged.

Joseph K. Thompson was next called, return, charged with conspiracy against the government of the State.

Mr. Boyden admitted that he had no evidence and the prisoner was discharged.

The same return was made for L. H. Murray and Henry Whitsett.

Mr. McCorkle said they had no evidence against these parties, nor of any of them now on trial, and they were discharged.

D. W. Weedon was next called, charged with assault and battery on one W. J. Ward in disguise and of conspiring against the government of the State. Ward was called but did not answer. No cause was shown for his further detention, and he was discharged.

J. R. Ireland was next called. Charge of conspiracy &c., no cause shown for his further detention and was discharged.

J. H. Anderson, came next, same return as that of Ireland, and same disposition made of the case, and also those of Samuel Whitsett, Geo. Crutchfield, Wm. Johnson, Geo. Rogers, Joseph Wright, Jno. S. Steel and Benj McAdam.

The name of Jas. S. Scott was next called. The return charged him with conspiracy &c., and insisted that said Scott should be remanded to Chief Justice Pearson at once, claiming priority in the case as he had issued the first writ.

After some discussion, Gov. Graham moved that the prisoner be discharged.

The Judge said, that the return of an officer upon whom the writs have been served was no evidence. That prior to the issue of his writ in this case, the Chief Justice of this State had issued a writ requiring the body of said prisoner to be brought before him; to that the respondent, Kirk, *refused obedience*, and the Chief Justice said that he had exhausted the powers of the judiciary, and that he could do nothing more. The petitioners might apply to the Federal Court for redress if they thought proper.—The application was then made to him (Judge Brooks) and another writ was issued, and now it was asked that the prisoner be remanded back in response to the old writ. The Court said it was not disposed to agree to anything of the kind, and if there was no cause shown why the prisoner should be held in custody longer, he should order his release.

Albert Murray was then called charged with violating the laws of the State. No evidence presented, and he was discharged.

Jas. Hunter was then called, charged with the commission of crime against the State and not for the violation of the laws of the United States. No evidence presented, and he was discharged.

Jas. C. Williamson was called, the return the same as that preferred against Hunter. No evidence, and discharged.

Peter H. Williamson, was called charged with conspiracy and accessory to the murder of Stephens. No evidence produced, was discharged.

W. S. Bradshaw was called, did not answer, return stated that said Bradshaw is not in my possession nor has he been since the service of the writ; had been discharged by Kirk. No evidence having been obtained against him. The petition was dismissed, and the same course was adopted in the case of John McKee.

The counsel for the petitioners urged that they be discharged in a legal manner, as some of the parties discharged or paroled by Kirk, felt themselves under obligations to report to Kirk at stated times.

The Judge said that a parole given by Kirk was not binding, as it had no legal force. To look at it in a moral point of view, he did not think it binding, as the detention was made without authority of law, and with brute force, the prisoner could not feel himself morally bound when detained by such authority, consequently he did not see the necessity for a further discharge.

Joseph Gibson was called, charged with conspiracy against the State Government, but he had failed to report to Kirk at a given time, consequently he was unable to obey the order of the Court.

Joseph Hamilton was called, no answer, the return stated that said Hamilton was not and never has been in his custody.

M. Z. Hooper was called, no answer, return stated that said Hooper had not been in his custody since the issue of the writ, and had no control over him.

Court adjourned to three o'clock.

EVENING SESSION.

FRIDAY, August 19.

The Court was called to order at 3 o'clock.

Judge Battle read the petition of Adolphus Moore and others and stated the return was insufficient because it failed to return the bodies of the prisoners before the Judge, and therefore moved for an attachment against Kirk for the insufficient return or for rule to show cause why such attachment should not issue.

This motion was debated by Judge Battle for the petitioners and by Mr. Boyden for the respondent, Kirk. Judge Brooks decided that the rule to show cause should be issued and be made returnable before him at the Court House, in Raleigh, on Tuesday morning next, at 10 o'clock.

Gov. Graham moved that Kirk and Burgen be held to give security for their good behavior toward the people of the State, and in support of the motion read the following affidavits:

UNITED STATES OF AMERICA, }
District of North Carolina. }

Lucian H. Murray being duly sworn deposeth and saith, that he is a citizen of the United States, and of the State of North Carolina, residing in the town of Graham, in the county of Alamance in said State; that he belongs to no military organization and is in no manner subject to military law, but that his occupation is that of a Clerk and salesman in a retail store in said town, of Boon & Son; that he is a native of and has, all his life, resided in the said county of Alamance, and is now of the age of twenty seven years. That on the 27th of July last, being informed that a guard of soldiers from the camp of G. W. Kirk, at Company Shops, had been to his place of business to arrest this affiant, while he was absent therefrom, he went to the said camp and reported himself to one B. W Burgen, who claimed to be Lieutenant Colonel under said Kirk, in the command of a Regiment which they called "State Troops," that said Burgen immediately ordered this affiant to be put under guard and detained in said camp as a prisoner. This affiant was placed in a tent with two other persons also prisoners; and in the night succeeding, about 1 o'clock, A. M., the said Burgen came to the tent, with a candle, and addressed this affiant, who was awake, asking, "Is that you Murray?" to which affiant replied, "yes." Said Burgen then retired to his own tent, and shortly afterwards came back without a light and touched this affiant upon his feet, and in a low tone of voice ordered him "to get up," the other two prisoners being apparently asleep.—This affiant replied, "very well, can I get my shoes?" The said Burgen answered "no, you will not need them long." He then took this affiant to his own tent where there were three of his men armed with pistols, the said Burgen then said to this affiant that "he must tell him all about the hanging of Wyatt Outlaw." This affiant replied, that he knew nothing about it, and that he did not know that Outlaw had been hanged till after sun rise the morning after it was done. The said Burgen replied, "it is a damned lie, I know that you do," and proceeded to say, that there was an affidavit filed in his office against this affiant, stating that he, this affiant, had seen Outlaw hanged by one Adolphus Moore.—This affiant replied, it was false, that he knew nothing about it—the said Burgen put a rope around the neck of this affiant and said, "Patten and Rogers, (alluding to two others of his prisoners,) knew nothing about it till they were hung up, and they could then tell all about it and you must do the same." He then took this affiant to a tree, about fifty yards from his tent, with the three armed men aforesaid, threw the end of the rope, still on this affiant's neck, over a branch of the tree, and having already tied this affiant's arms in the manner usual with criminals about to be executed, he, the said Burgen, drew the rope and swung this affiant up by the neck. After suspending him, for a short time, he was let down, the said Burgen asked him if he would confess then, this affiant replied, that he knew nothing to confess. The said Burgen and his men, aforesaid, then presented their pistols at this affiant's breast and threatened to blow his heart out if he did not confess. This affiant still refusing to make the admission demanded, the said Burgen seized the rope and again hoisted this affiant from the ground, more roughly than before, and suspending him longer, upon being let down this affiant was unable to speak for some time. The said Burgen then said, "now confess that you saw Moore." Affiant replied, he could not do it, said Burgen replied, "you must acknowledge it or die," and said to one of his men, "Sergeant, hang him up to that tree and let him hang till 8 o'clock in the morning then cut him down and bury him under the tree." After other conversation and threats of killing this affiant, the said Burgen said to this affiant, "I will now give you until to-morrow night, and if you don't confess then, I will kill you dead." Affiant replied, "I will never confess, for I have nothing to confess." This affiant was then taken back to his tent, aforesaid, after being charged to say nothing about what had occurred, and threatened with death if he divulged it. He was not tortured again, but has been held by the said Kirk as a prisoner until brought to Salisbury before His Honor, Judge Brooks, on yesterday.

D. W. Weedon being sworn, deposeth and saith, that he is a citizen of the United States and of North Carolina residing and has always resided in the county of Alamance, in said State, that he is in no military organization, and in no way subject to military law.

That on or about the 23rd July last, he, this affiant, was arrested one B. W. Burgen, claiming to be Lieutant Colonel of a body of armed men, lled by him North Carolina State troops encamped at Company Shops in said County, no cause being assigned for said arrest and detention, held also as prisoners by the said Burgen, and G. W. Kirk, who claimed to be Colonel of the said Troops. That he was paroled at one time for two or three days, with an obligation to report to said Kirk at Yanceyville, where he again went into confinement with many other prisoners, that while thus confined in the upper room of the Court House of said, upon seeing a soldier below carelessly handling a pistol, he, this affiant, remonstrated, that he might shoot some one. The soldier immediately replied with an oath "I will shoot you," and fired his pistol, the ball passing near the head of this affiant. From this time forward this affiant seemed to have incurred the hostility of said Kirk and his officers, who cursed and maltreated him on various occasions; that after the service, or said Kirk, of the writ in this case, he was with this affiant and other prisoners to Graham, in Alamance county, and joined 8 prisoners, this affiant among them, in the Court House there, that on Tuesday afternoon of the present week, this affiant was taken by a Lieutenant and guard, of said Kirk, and carried to the common jail of said county, and there confined until Friday, when with the other prisoners above, he was brought to Salisbury. That the morning after this affiant was confined to jail, a Lieutenant Banner, of the troops, who seemed to be the keeper of the prisoners, who had been committed all, placed an iron manacle on one of this affiant above the ankle, to which affixed a chain and staple, fastening to the floor; that the said Banner rivets the manacle on the leg of this affiant in a very rough manner, giving to this affiant pain in the operation; that he was thus ironed until taken from the jail aforesaid, to be carried to Salisbury before His Honor, Judge Brooks. That this affiant was never informed of any charge against him, on which he was arrested confined, and had done nothing to provoke the cruel usage aforesaid, to which he subjected. That during all the time this affiant's confinement in jail he suffered the want of water to drink; a small pitcher of stale water in a canteen was placed him soon after his commitment to jail and none other furnished to him during his confinement, he asked for water several times, and it was refused and he was denied in every instance. When food was given to him, by the citizens of Graham, the jailer threw it to him on the floor of the jail and forbid him to use a knife, fork or so, presenting their pistols in his face threatening to shoot him at the same time.

On the next day one B. W. Affiant replied, that he knew him by sight, but had little acquaintance. Said Burgen then told this affiant that this affiant, knew something of the order of Wyatt Outlaw; this affiant denied it. The said Burgen, after pronouncing the denial a *damned lie*, said he would give this affiant till that night to tell about. That night about 10 or 11 o'clock, said Burgen took this affiant to his tent and asked if he was ready to tell about murder of Outlaw. Affiant replied, that he had told him all he knew. Said Burgen then said, 'stop right there, you are telling a damned lie, I know that you do know, and will make you tell it." He then took this affiant, accompanied by said Hunt and several men, to the woods and again asked the affiant if he would tell them about the murder? Affiant replying before, the said Burgen said that Patten did not know anything till he hung him up, and then he could tell all about it. He then asked affiant if he had anything to say, this affiant replied, that he had said all he wished to say. Having put a rope about the neck of this affiant as aforesaid after leaving the tent, the said Burgen then ordered the Lieutenant, who threw the rope over the branch of a tree, to swing the affiant up. The Lieutenant drew until the rope was stretched tight around this affiant's neck. Said Burgen then told the Lieutenant "then will do," and asked if he would then confess, and the answer was given as before. Affiant was then taken back to the tent. Affiant has been kept as a prisoner until released by His Honor, Judge Brooks, on yesterday.

RECEPTION OF MR. TURNER AND OTHERS.

The people of North Carolina regardless of party or color are respectfully invited to attend THE GRAND MASS RECEPTION, to be given Hon. Josiah Turner, Jr., Hon. John Kerr and others, recently arrested by Col. Gen. W. Kirk, on Thursday, 25th inst., 3 o'clock, P. M.

J. P. LEACH,
A. L. ADAMS, } Com.
B. F. CHEATHAM.

Raleigh, Aug. 20, 1870.

THE YARBOROUGH HOUSE.—We call attention of everybody to Dr. Blacknall's announcement of the re-opening of the Yarborough House. We need add nothing to what he says, only to endorse it, which we do most cheerfully. What he says on paper he will repeat and make good on his tables, his beds, in his parlors, with his omnibuses and by everything else in or pertaining to the house. If you don't believe it try it.

BERGER'S CRUELTY.—Let every reader be sure to read carefully the affidavits of Messrs. Weedon, Murray and Rogers, in the proceedings at Salisbury.

EXTRA COPIES.—We have printed an extra number of the SENTINEL to-day. Orders will be supplied until they are exhausted.

THE GREAT VILLAINY!!

The explosion of the insurrection bubble of Holden, Kirk, Pearson & Co., produced by the puncture of Judge Brooks at Salisbury is complete. The eruptive force of the *wind* now escaping from this bubble, may be damaging to its parents and nurses, but will be evidently healthful to the people at large. The villainy which got it up and has kept it in being to the present time, exceeds all calculation.

We beg the reader to inspect it closely in the proceedings in Judge Brooks' *habeas corpus* cases at Salisbury and those of Judge Pearson at Chambers in Raleigh. Holden, Pool, Settle, Kirk and the rest, will have to go down into the level of society in which they move, to find the guilty perpetrators of the outrages in Alamance and Caswell.—They must bring out the League men from their holes and dens to find the murderers of Stephens and Outlaw. They struck too high. The gentlemen arrested by Kirk, Holden & Co., never get low enough to commit such deeds or to know anything of them.

All the prisoners have been discharged except *five*. Every one of them will come out of the fire unburnished. But we stop for want of space.

FRANCE AND PRUSSIA.

The news from the seat of war for several days, has rather indicated that the conduct of the French army has been placed in more efficient hands. The unexpected success of the Prussians to the French people, while they have tended to excite a very general distrust of the Emperor, have more effectually aroused the devotion of the French people to France, than has been convinced heretofore.

Prussia has shown that she was better prepared for the contest than France—that her army was better disciplined, her commanders more capable of wielding large bodies of men, her soldiers more inured to warfare, and that she has been ready to bring a larger and a better force into the field than France. Her troops have moved with more facility and have been handled with greater skill. The complaints made by the French commanders of unexpected surprises, of the presence of a larger force of the enemy at a given point than was expected, exhibits a demoralization and a want of discipline not anticipated from the French. Moreover we have seen none of the dash of the French troops which characterized them in days past, nothing of that celerity and confidence which enabled the elder Napoleon to hurl his legions upon the enemy with such force as to overwhelm and defeat them. In a word, the past has shown unequivocally that Louis Napoleon has none of the grand traits of the soldier, which distinguished his great uncle.

Matters however appear as if a change in the affairs of France may soon take place, which may so electrify and revive the drooping spirits of the nation, as to turn the scale of event. The peace of Europe at least for a time, cannot be secured but by the success of Prussia. Should France regain her former position, she will press every advantage gained and probably involve the whole of Europe in the conflict.

JUDGE BROOKS.—The attack of the *Standard* upon Judge Brooks this morning, is so characteristic of that paper, its falsehoods need no denial. The proceedings of the Court, put the quietus upon the *Standard's* falsehoods, point blank.

JUDGE PEARSON'S CIVIL WAR.—The Chief Justice it will be remembered, in a very tremulous manner, said a few weeks ago, that the enforcement of the writs of *habeas corpus* would bring on civil war in North Carolina. That *exhausted* his judicial powers. How is it that Judge Brooks enforcement of the writ, brought on no war? Was it because he did his duty fearlessly without consulting Gov. Holden?

U. S. SENATOR.—The Wilmington *Journal* recommends Col. R. H. Cowan of New Hanover for the U. S. Senate as successor of Gen. Abbott, as the unanimous choice of that section of the State.

THE CIVIL AND THE MILITARY.

Strange events are passing before us. We live under new auspices, when the power of the sword and the power of the civil arm, are wielded by the same arm, at the same time and to effect the same objects. The Constitution is emphatic in its declaration, that the military shall always be subject to the civil power in time of peace; if so who can reconcile the existing state of things at present in this city and in this State.

Chief Justice Pearson came to this city, to ascertain under the writ of *habeas corpus* issued by him in the case of many citizens, arrested without warrant by an unauthorized and illegal military force, some weeks ago, whether or not there is just cause for such restraint upon their liberty. The arrested parties claim that having appealed to the Chief Justice for the relief provided for by the Constitution weeks ago, and he having failed to afford it to them, they had applied for said relief to Judge Brooks, and that he was ready to afford it, and therefore withdrew their application. Judge Pearson concedes their right to withdraw and grants it, still leaving these men in the hands of the military! Yielding to the demands of the Governor, he forthwith issues Bench warrants for these men on charges of felony and high crimes, thus attempting to wrest them from the jurisdiction of Judge Brooks of the U. S. Court, still leaving them under the power of the military, subject to their orders and exactions, until as he needs them takes them from the military jurisdiction and proceeds to investigate the charges, alleging as his justification, that Judge Brooks has no jurisdiction over a case of murder!

Now Judge Brooks perfectly understands his powers in the case. These men are not murderers, are not conspirators, or felons or guilty of high crimes. They are simply charged as such, a lawless and illegal band of marauders, having arrested them without any legal authority and are still held by them. The object of the application for the writ was to ascertain first, whether they were legally arrested or not, and secondly whether there was any justifiable cause for their arrest. The operation of the writ therefore, would have been to take them first, out of the hands of this illegal military authority, and then secondly, to have ascertained whether they were amenable to the civil authority for crime committed. Had these men been permitted to go before Judge Brooks, he would first, no doubt have taken them from the clutches of an illegal military power, and then, if on inquiry there was reasonable ground for suspecting them to be guilty of felony or any crime, would at once have turned them over to the civil power of the State to try.

But Judge Pearson says, Judge Brooks has no jurisdiction over a case of murder. Grant it. But cannot Judge Brooks, as a U. S. Judge, in hearing a *habeas corpus* case enquire into the causes of arrest, and when he ascertains that there is probable ground for the charge of murder, then is it not time enough, to turn the case over? Does Judge Pearson *know* that in taking up Mr. Wiley's case, he is taking up a murder case? How can he know this until he enquires? Suppose there is no evidence to support the charge, is it then, because it is *called one*, that Judge Brooks has no jurisdiction over it? But why does he leave any of these men in the custody of the military? Does not Judge Pearson know that this military arrest is an unlawful arrest?—Does he not know that this military force is an unlawful force? that Gov. Holden has no right to employ such a force to execute his orders?

But Judge Pearson is now sitting at Chambers to hear charges against parties arrested on a Bench warrant. Why then leave these men under the surveillance of an illegal military force, by whom counsel is excluded from them, or if allowed, only in the presence of a military spy? Why, allow the military at all, within his judicial prerogative while investigating a civil case? Is it to prevent the necessity of jailing them? Why? Are they liable to be confined in prison before a hearing? Is it not very probable after a hearing that most of them can be discharged if not all. If not, cannot they be admitted to bail or if any are clearly guilty of murder, or it the probability is strong against them, let the law be enforced and send them to jail. In any event, why recognize this illegal military force, and at once prejudge the case as to their guilt as if they were outlawed felons? Does Judge Pearson court the criticism of the profession?

But why argue a case so plain? Judge Pearson will not deny that it is the prerogative of Judge Brooks to investigate the facts involved in these *habeas corpus* cases, without interference from any quarter, and when he ascertains by the investigation that any of the parties are probably guilty of murder or other crime, it is his prerogative to bind them over to answer to the civil authorities of the State, and we unstand Judge Brooks after due consideration, so expressly held at Salisbury. Of the correctness of his decision we have no doubt, and he will be sustained by the judicial wisdom of the nation.

THE OVATION, &C.

Our reporter had prepared a lengthy account of outside matters at Salisbury—the large crowd, the universal pleasure evinced at the discharge of Mr. Turner and his co-sufferers by Judge Brooks, and the general feeling &c., but it is excluded by the proceedings of the two Courts. We have just room to say that the return of Mr. Turner and his friends was one great ovation from Salisbury to Hillsboro. Crowds of ladies and gentleman had gathered at every depot to welcome him late in the night.—Such demonstrations are only witnessed in one's lifetime. More anon.

NEWBERN CELEBRATION.—In noticing the Conservative celebration at Newbern of our victory in the State, the name of Maj. John Hughes, an eloquent advocate of our cause, was inadvertently omitted.

HOW TO CURE IT.

At the commencement of the Diarrhœa, which always precedes an attack of the Cholera, take a teaspoonful of the Pain Killer in sugar and water, (hot, if convenient,) and then bathe freely the stomach and bowels with the Pain Killer also. Should the diarrhœa or cramps continue, repeat the dose every ten or fifteen minutes until the patient is relieved. In extreme cases, two or more teaspoonfuls may be given at a dose.

The Pain Killer, as an internal remedy, has no equal. In cases of Cholera, Summer Complaints, Dyspepsia, Dysentery, Asthma, cures in one night by taking it internally, and bathing with it freely. Its action is like magic, when externally applied to Old Sores, Burns, Scalds, and Sprains. For Sick Headache and Toothache, don't fail to try it. In short, it is a PAIN KILLER

A NEW DISCOVERY!!

PHALON'S

"VITALIA;"

OR,

Salvation for the Hair.

CLEAR AS WATER!
WITHOUT SEDIMENT!!
OPEN TO THE LIGHT!!!

For Restoring to Gray Hair its Original Color.

PHALON'S "VITALIA" differs utterly from all the hair coloring preparations heretofore used. It is limpid, sweet smelling, precipitates no muddy or slimy matter, requires no shaking, imparts no stain to the skin. Hold it to the light and it is clear and cloudless. It leaves no mark on the scalp; yet it reproduces in gray hair the natural color that time or sickness may have bleached out of it.

☞ Phalon's Vitalia ☜

is for one sole purpose, that of reproducing, with absolute certainty, the natural color of the hair. It is not intended as a daily dressing, nor for removing scurf or dandruff; nor for curing baldness; nor for stimulating the growth of the hair.—These objects may be accomplished after the color has been fixed with the Vitalia, by Phalon's Chemical Hair Invigorator.

THE VITALIA is a harmless and unequaled preparation for the reproduction of the original hue of gray hair, and nothing else. This is accomplished in from two to ten applications, according to the depth of shade required. Sold by all druggists

PUFF OF SATISFACTION.—Nothing is more grateful than the odour of a good-flavored and free-smoking cigar. Such are Mohegan's Bankers, the best cigars for their price in the country. We honestly think two boxes of Mohegan's Bankers might be induced to influence even Grant to compassion in regard to the suffering Cubans.

We recommend the Bankers, and know whereof we affirm, for as we write we are consoled with the proud satisfaction of puffing one, and enjoy it hugely.—*Norfolk Journal.*

NON-EXPLOSIVE COMBINATION BURNING FLUID

THE CHEAPEST, BEST AND SAFEST ILLUMINATING AGENT IN THE WORLD!!!

No more Exploded Cans!—No more Exploded Lamps!
No more Smoke!—No more Grease!
No more Fires!!

EVERYBODY PREFERS IT AFTER GIVING IT A TRIAL!

IT costs less!—It lasts longer!—Gives a more Brilliant Light!—May be burned in hand lamps, without chimney.

Guaranteed to make a better and safer Light than Coal Oil and to be NON-EXPLOSIVE!!!

No accidents have ever happened with it.

Protected by Copy right for 28 years from May 8th 1868.

The above Fluid has been in constant use for upwards of three years, and has sustained its unrivaled reputation, as a brilliant, non-explosive illuminating agent, though subjected to the severest tests. Being universally conceded to be superior to Kerosene or Coal Oil. It makes a better light and more of it, than any other illuminating compound. Soft, clear, steady and uninjurious to the eyes. All that is asked is, a fair and impartial trial.

Among the numerous testimonials received read the following:

PHILADELPHIA, March 15th, 1869.

The undersigned, having witnessed the experiments of Messrs. Hale & Co., with their Combination Burning Fluid, take pleasure in commending it to the public. The various tests to which the Fluid was subjected, was in the highest degree satisfactory. We have no hesitation in pronouncing it to be a *safe and brilliant* illuminating agent. Its cheapness added to its other good qualities, should insure its introduction into every family in the country, where Kerosene Oil is used.

POLICIES VALUABLE IN LIFE, AS WELL AS AT DEATH!!

THE BROOKLYN LIFE, IS THE ONLY COMPANY IN AMERICA WHICH GUARANTEES

DEFINITE CASH SURRENDER VALUES,

IN CASE A POLICY IS FORFEITED FOR NON-PAYMENT OF PREMIUM.

The BROOKLYN LIFE enjoys the highest reputation *for judgment of investment, economy of management, and skill and care in the selection of risks,*—upon which elements of administration the security of a Life Insurance Corporation depends.

The laws of New York compel Companies in that State to calculate the Cash value of their Policies, each and every year, *and a certain legal standard of reserve and accumulation must be held by the Companies to meet all their liabilities.*

Insurers in looking around for Companies in which to insure, should carefully seek for this important safeguard. It will be found in the BROOKLYN LIFE.

The Globe has peculiar claims upon the Southern country, from having first introduced its non-forfeiting feature in all its policies. Its President, Mr. Pliny Freeman, was the inventor of the ten-year, non-forfeiture plan, and introduced it in the Company with which he was then connected.

The Globe takes no notes; but receives its premiums in cash, and pays its policies in cash without deduction.

To those desiring it, the Company will issue policies, registered and certified by the Superintendent of the Insurance Department of New York, as "secured by pledge of public stock."
